Subject: **ALLOCATION OF PROVISIONAL SUPERVISION LETTER FOR BSCS PROJECT,**
"Face Recognition Attendance Management System"

The Department has allocated project titled above to **Mr. Muhammad Jawad Registration No: 3965-FBAS/BSCS/F18** and **Mr. Raja Rehan Ahmed Registration No: 4028-FBAS/BSCS/F18**. **Mr Muhammad Nadeem**, Department of Computer Science & Software Engineering, Faculty of Basic & Applied Sciences, International Islamic University, Islamabad, will supervise the project. The work should be completed within one semester. *If the project is not completed within prescribed period, then you have to re-register in the next semester with only registration fee. Students failing to complete project even in the additional duration will have to pay full fee for subsequent semester that will include the project fee plus the registration fee.*

Weekly progress report duly signed by the supervisor must also be submitted to the Program Coordinator. Project presentation within the concerned SIG after every three weeks is mandatory. Project will be evaluated as per the following criteria

- Scope
- Project utility
- Innovation
- Selection of appropriate technology
- Approach/ Implementation
- Report write-up
- Demo/ Presentation

The student must submit the copies of the project report within three months after the Viva Voce exam; otherwise whole process will be done again
